Thank You

The Canadian Mental Health Association, Colchester East Hants Branch would like to thank everyone who supported our 2nd annual Women & Wellness event. Funds raised from this event will go to sustain the mental health education, advocacy, supportive services and programs offered by the local branch of the Canadian Mental Health Association. We also wish to extend a heartfelt thank you to the generous women who gave of their time and talent; shared their personal stories and braved the snow to join us in this heart warming, magical evening.
